DISCUSSION OF PROGRESS ON REQUEST FOR SUPPORT

This meeting was called to discuss progress in filling the request for support submitted by Willis B. Foster on 6 May 1958.

25X1A9a

██████████ reported that A/U does not have the quantitative information necessary to answer relevant sections of the request.

Members of the Group reported substantial progress in gathering the requested information. All available information will be assembled and prepared in final form during the period 12-14 May 1958.
